Steps to Make Charitable Gift of Grain

As a donor, you should follow these steps to ensure that ownership of the gifted grain is transferred prior to sale and you receive recognition for your gift.

1. Contact Joan Nech, 785-476-7538 at the Smith County Community Foundation (SCCF) to let her know a gift is about to be made.

2. Complete the Gift of Grain Donation Form and mail it to:

**Smith County Community Foundation
P.O. Box 116, Smith Center, KS 66967**

We will send you a letter thanking you for your gift of grain.

3. When you deliver the gifted grain to the local elevator, tell the grain elevator to issue a storage receipt in the name of the Smith County Community Foundation. The storage receipt is the evidence that the ownership of the grain was transferred from the farmer to SCCF. Mail the storage receipt to SCCF.

4. Instruct the grain elevator that it must send the contract to sell the grain to the Smith County Community Foundation for signature. The contract can be mailed to the address above or they may contact Joan Nech at 785-476-7538 to make other arrangements. Because SCCF owns the grain following your gift, you may not instruct the elevator to sell it.

5. Remind the grain elevator to issue the check for the sale of the grain to the Smith County Community Foundation and mail it to them at the address listed above.
